

**Fariborz Khorvash, Professor of Neurology, Fellowship in Headache and Facial pain
Neurology department, Al-Zahra hospital
Isfahan University of Medical sciences, Isfahan, Iran,
Tell: +98313 2336067 Cell: +989133106630
fkhorvash@med.mui.ac.ir**

Objective:

General, Presented to Whom It May Concern

Personal information:

- Date of birth: 20.09.1969
 - Birth place: Isfahan, Iran
 - Marital status: Married
 - Citizenship: Iranian
-

Education:

- Headache course, Danish headache center, Copenhagen, Denmark 2019
 - Psychosomatic course, fereiburg, Germany 2012
 - Neurology. Isfahan University of medical sciences, Isfahan. Iran 2001- 2005
 - Medical doctorate, Isfahan University of medical sciences, Isfahan. Iran 1987- 1994
 - High school diploma in experimental science, Harati High school, Isfahan. Iran
 - 1983- 1987
-

Work experience:

- Head of stroke care unit, Al-zahra hospital, Isfahan, Iran 2014-up to now
 - professor of neurology, Isfahan University Neurology Department, Isfahan University of medical sciences, Isfahan. Iran 2014-up to now
 - President of Iran national stroke congress 2012
 - Director of registration affairs, Isfahan University of medical sciences, Isfahan. Iran 2007- 2013
 - Vice president of Al-Zahra hospital, Isfahan. Iran 2005- 2007
 - Director of emergency medical services of Isfahan University, Isfahan. Iran 1998- 2001
-

Association Membership:

- Head of neurology department, Isfahan university of medical sciences 2021 up to now

- International Headache Society Member 2017 up to now
 - Asia Pacific Headache Society Member 2020 up to now
 - World stroke organization member 2013-up to now
 - Head of Isfahan\neurology society 2012-up to 2019
 - Head of neurology department, Isfahan university of medical sciences 2012-2014
 - Academic member of Isfahan university of medical sciences member 2009- up to now
 - Iran's Neurology Society member 2005- up to now
 - Iran's medical Council member 1994- up to now
 - Isfahan' Neuroscience Research Center member 2009- up to now
 - Isfahan's MS committee member 2010- up to now
 - Educational Council's clerk of Isfahan University of medical sciences member 2007- up to now
 - Member of Isfahan University of medical sciences university council member 2007- 2014
 - Iran's regional education committee clerk 2009- 2014
 - Iran's Supervision on education council member 2009-2014
 - AL-Zahra hospital Neurology ward director, Isfahan, Iran 2010- 2014
 - Isfahan brain death committee member 2010-up to now
-

Honors:

- Head of the most distinguished department in Isfahan university of medical sciences 2013
 - The most qualified neurologist in Isfahan province 2012 & 2017&2022
 - Iranian national award for the best proposal for electronic learning 2008
 - First rank in neurology preboard in Iran 2005
 - Distinguished investigator in Isfahan University of medical sciences 2007
 - Distinguished educator in Isfahan University of medical sciences 2008 & 2009
 - Distinguished manager in Iran's ministry of Health, Cure and Medical education 2005
 - Designed research plan specially on cerebral vasomotor reactivity
 - Established the air ambulance system in Isfahan, Iran 2001
-

Accomplishments:

- National certification on transcranial doppler issued by Iran ministry of health 2012
- Participated in a clinical and research course in psychosomatic medicine and psychotherapy, Freiburg, Germany. 2011
- Tracked the running of the stroke care unit in Al-Zahra hospital, Isfahan, Iran.
- Neurology specialist, responsible for urgent patients, Al-Zahra hospital, Isfahan, Iran.
- Tracked to improve the ICU beds in Al-Zahra hospital, Isfahan, Iran.
- Tracked the improvement of the imaging unit in Al-Zahra hospital, Isfahan, Iran.
- Cooperated in running MS clinic and neuroscience research center in Isfahan, Iran.
- Improved the number of urgency stations in Isfahan, Iran.
- Endeavored to decrease the time of arriving the pre-hospital ambulance on the patients bed to less than eight minutes in Isfahan, Iran.

- Tracked to run the air ambulance in Isfahan, Iran.
-

Research interest line:

- Headache
- Stroke
- Pain disorders

Publication:

Books:

- | | |
|--|------|
| • Electronic book on diagnosis and cure of MS | 2012 |
| • Medical science from beginning to the end, two volumes | 2011 |
| • Diagnosis and Signs and Symptoms in Infectious Diseases (book) | 2009 |
| • A Book for Education | 2008 |

Articles:

1. *Effect of soy isoflavones supplementation on migraine characteristics, mental status and calcitonin gene-related peptide (CGRP) levels in women with migraine: results of randomised controlled trial, Nutrition Journal July 2022*
2. *Clinical and Neuroimaging Characteristics of Ischemic Stroke in Rhino-Orbito-Cerebral Mucormycosis Associated with COVID-19, Clinical Neuroradiology, December 2022*
3. *Prevalence, clinical, imaging, electroencephalography and laboratory characteristics of seizures in COVID-19, American Journal of Neurodegenerative Diseases, October 2022*
4. *Is there a relationship between 24-hour urinary sodium and potassium and mental health in migraine patients?: A cross-sectional study, Medicine, October 2022*
5. *Incidence, characteristics and prognosis of cervical artery dissection-induced ischemic stroke in central Iran, BMC Neurology, June 2022*
6. *Status epilepticus due to COVID-19; a cases series and literature review, American Journal of Neurodegenerative, June 2022*
7. *Novel insights into the role of circular RNAs in Parkinson disease: An emerging renaissance in the management of neurodegenerative diseases, Journal of Neuroscience Research, May 2022*
8. *New-onset acute ischemic stroke following COVID-19: A case-control study, Journal of Research in Medical Sciences, April 2022*
9. *Empirically derived dietary patterns and their association with mental health: a cross-sectional sample of Iranian migraine patients (2019–2020), BMC Nutrition, April 2022*

10. *Associations between potential inflammatory properties of the diet and frequency, duration, and severity of migraine headaches: a cross-sectional study, Scientific Reports, February 2022*
11. *Association between dietary acid load and clinical features of migraine headaches among Iranian individuals, Scientific Reports, February 2022*
12. *Effects of Curcumin Supplementation on Clinical Features and*
13. *Inflammation, in Migraine Patients: A Double-Blind Controlled, Placebo Randomized Clinical Trial, International Journal of Preventive Medicine, February 2022*
14. *Oxidative stress and mitochondrial dysfunction following traumatic brain injury: From mechanistic view to targeted therapeutic opportunities ,Fundamental and Clinical Pharmacology, February 2022*
15. *The beneficial effect of Alpha-lipoic acid supplementation as a potential adjunct treatment in episodic migraines, Scientific Reports, January 2022*
16. *New-onset Constipation After Stroke: Caspian Nursing Process Projects, Journal of Holistic Nursing and Midwifery, January 2022*
17. *A novel technique of botulinum toxin injection around skull sutures for chronic migraine: A randomized controlled clinical trial, Journal of Research in Medical Sciences, January 2022*
18. *Associations between adherence to Mediterranean dietary pattern and frequency, duration, and severity of migraine headache: A cross-sectional study, Nutritional Neuroscience, December 2021*

19. *Effects of the Dietary Approaches to Stop Hypertension (DASH) diet on clinical, quality of life, and mental health outcomes in women with migraine: A randomised controlled trial, The British journal of nutrition, November 2021*
20. *Evaluation of rivaroxaban versus warfarin for the treatment of cerebral vein thrombosis: A case-control blinded study, Current journal of neurology, November 2021*
21. *The effects of synbiotic supplementation on oxidative stress and clinical symptoms in women with migraine: A double-blind, placebo-controlled, randomized trial, Journal of Functional Foods, November 2021*
22. *The relationship of mood status, quality of life, and dietary intake with migraine symptoms among women with migraine, J Multidiscip Care, September 2021*
23. *Dose optimization study for recombinant tissue plasminogen activator in acute ischemic stroke: A study from Middle-East, Neurology Asia, September 2021*
24. *Is there a relationship between dietary sodium and potassium intake and clinical findings of a migraine headache?, The British journal of nutrition, August 2021*
25. *The effects of the dietary approaches to stop hypertension (DASH) diet on oxidative stress and clinical indices of migraine patients: a randomized controlled trial, Nutritional Neuroscience, July 2021*
26. *The efficacy of Alpha-Lipoic Acid in improving oxidative, inflammatory and mood status in women with episodic migraine in a randomized, double-blind, placebo-controlled clinical trial, International Journal of Clinical Practice, June 2021*

27. *Effects of greater occipital nerve block with local anesthetic and triamcinolone for treatment of medication overuse headache: an open-label, parallel, randomized, controlled clinical trial, Neurological Sciences, May 2021*
28. *SARS-CoV-2 and Stroke Characteristics A Report From the Multinational COVID-19 Stroke Study Group, Stroke, May 2021*
29. *Effect of synbiotic supplementation on migraine characteristics and inflammatory biomarkers in women with migraine: Results of a randomized controlled trial, Pharmacological Research, May 2021*
30. *Targeting Mitochondrial and Brain Injury Markers in Acquired Brain Injuries: A Randomized, Double-Blind, Placebo-Controlled Study with Melatonin, Advanced Pharmaceutical Bulletin, April 2021*
31. *Effects of Inulin Type-Carbohydrates on blood pressure: a systematic review and meta-analysis, International Journal of Food Properties, January 2021*
32. *Potential of favorable effects of probiotics fermented milk supplementation on blood pressure: a systematic review and meta- analysis, International Journal of Food Properties, January 2021*
33. *The Effectiveness of Compassion-focused Therapy for Improving Emotional Control and Reducing the Severity of Pain in Migraine Patients, Practice in Clinical Psychology, January 2021*
34. *Cerebral venous sinus thrombosis associated with SARS-CoV-2; a multinational case series, Journal of the Neurological Sciences, December 2020*
35. *Effects of Momordica charantia L on blood pressure: a systematic review and meta-analysis of randomized clinical trials, International Journal of Food Properties, October 2020*

36. *Zinc supplementation affects favorably the frequency of migraine attacks: a double-blind randomized placebo-controlled clinical trial, Nutrition Journal, September 2020*
37. *Are serum vitamin D, calcium and phosphorous associated with restless leg syndrome? A systematic review and meta-analysis, Sleep Medicine, August 2020*
38. *A case study of methadone-induced delayed post-hypoxic leukoencephalopathy with improvement by antioxidant therapy, Northern Clinics of Istanbul, July 2020*
39. *Effect of cinnamon on migraine attacks and inflammatory markers: A randomized double-blind placebo-controlled trial, Phytotherapy Research, July 2020*
40. *Connection of miR-185 and miR-320a Expression Levels with Response to Interferon-beta in Multiple Sclerosis Patients, Multiple Sclerosis and Related Disorders, June 2020*
41. *The Effect of Home Base Physical Activity Program based on the BASNEF Model on Motor Recovery in Patients with Stroke, Home Health Care Services Quarterly, May 2020*
42. *Implementation of home-based health promotion program to improve flow-mediated dilation among patients with subacute stroke, Journal of Education and Health Promotion, February 2020*
43. *Review on selected potential nutritional intervention for treatment and prevention of viral infections: possibility of recommending these for Coronavirus 2019, International Journal of Food Properties, January 2020*
44. *The Impact of Home-Based Exercise Rehabilitation on Functional Capacity in Patients With Acute Ischemic Stroke: A Randomized Controlled Trial, Home Health Care Management & Practice, December 2019*

45. *Association Between BMI and Inflammation Among Diabetic Polyneuropathy Patients, International Journal of Preventive Medicine, December 2019*
46. *The effect of cinnamon on migraine treatment and blood levels of CGRP and IL-6: A double-blinded randomized controlled clinical trial, Journal of the Neurological Sciences, October 2019*
47. *The effects of combined supplementation of coenzyme Q10 with L-carnitine on migraine-related disability and depression among patient with migraine: A randomized, placebo-controlled, double-blind trial, Journal of the Neurological Sciences, October 2019*
48. *Mechanisms of pathophysiology of blood vessels in patients with multiple sclerosis treated with ozone therapy: a systematic review, Acta Biomedica, September 2019*
49. *Correlation between expression of hTERT and α - β splice variants in human brain tumors, Advances in Clinical and Experimental Medicine, April 2019*
50. *The MTHFR C677T polymorphism influences the efficacy of folic acid supplementation on the nerve conduction studies in patients with diabetic polyneuropathy; A randomized, double blind, placebo-controlled study, Journal of Research in Medical Sciences, April 2019*
51. *Comparison of acute ischemic stroke evaluation and the etiologic subtypes between university and nonuniversity hospitals in Isfahan, Iran, International Journal of Stroke, March 2019*
52. *Effect of folic acid supplementation on nerve conduction velocity in diabetic polyneuropathy patients, Neurological Research, February 2019*

53. *The effects of concurrent Coenzyme Q10, L-carnitine supplementation in migraine prophylaxis: A randomized, placebo-controlled, double-blind trial, Cephalalgia, January 2019*
54. *Efficacy of comprehensive ozone therapy in diabetic foot ulcer healing, Diabetes and Metabolic Syndrome Clinical Research and Reviews, December 2018*
55. *Predicting Long-Term Cardiovascular Events after Transient Ischemic Attacks: Carotid Artery Intima-Media Thickness or ABCD2 Score or Both?, International Journal of Preventive Medicine, November 2018*
56. *A Comparative Study on the Effect of Duloxetine Hydrochloride, Venlafaxine Hydrochloride, and Pregabalin on the Sensory Symptoms in Patients with Diabetic Polyneuropathy, Journal of Isfahan Medical School, March 2018*
57. *Demographic features and clinical characteristics of patients with Parkinson's disease in Isfahan, Iran, Iranian Journal of Neurology, January 2018*
58. *Variants in Human Prostacyclin Receptor Gene in Patients with Migraine Headache, Iranian Journal of Psychiatry 13(4):239-243 · October 2018*
59. *Meta-Analysis of the Association between GABA Receptor Polymorphisms and Autism Spectrum Disorder (ASD), Journal of Molecular Neuroscience · 2018*
60. *Carotid arterial stent implantation follow-up and results in 50 patients: preliminary report, Electronic Physician .2018*
61. *Does Alpha-lipoic Acid Supplementation Modulate Cardiovascular Risk Factors in Patients with Stroke? A Randomized, Double-blind Clinical Trial, International journal of preventive medicine .2018*

62. *The Effect of Pregabalin and Metformin on Subacute and Chronic Radiculopathy, Advanced Biomedical Research. 2018*
63. *Seasonal and Monthly variation in stroke and its subtypes-10 Year Hospital-Based Study., Mater Sociomed , 2017*
64. *Carotenoids as Potential Antioxidant Agents in Stroke Prevention: A Systematic Review, International journal of preventive medicine, 2017*
65. *The effect of alpha-lipoic acid supplementation on anthropometric indices and food intake in patients who experienced stroke: A randomized, double-blind, placebo-controlled clinical trial , Journal of research in medical sciences,2017*
66. *Coexistence of Multiple Sclerosis and Brain Tumor: An Uncommon Diagnostic Challenge , Advanced Biomedical Research , 2017*
67. *Does Alpha-Lipoic Acid Consumption Improve Lipid Profile In Patients With Stroke? A Randomized, Double Blind, Placebo-Controlled Clinical Trial , Iranian Red Crescent Journal,2017*
68. *The Effect of a Single dose Dantrolene in Patients with Vasospasm Following Aneurysmal Subarachnoid Hemorrhage, Advanced Biomedical Research ,2017*
69. *Cerebral Vasculitis , Advances in Bioscience and Clinical Medicine ,2017*

70. *Tissue plasminogen activator; identifying major barriers related to intravenous injection in ischemic acute cerebral infraction , Journal of research in medical sciences,2017*

71. *The Association of Menstrual Migraine with Iron Deficiency and Its Induced Anemia, Diagnostic Sensitivity of F-wave Parameters in Unilateral S1 Radiculopathy, Caspian Journal of Neurological Sciences, 2016*

72. *miR-145 and miR20a-5p Potentially Mediate Pleiotropic Effects of Interferon-Beta Through Mitogen-Activated Protein Kinase Signaling Pathway in Multiple Sclerosis Patients , Journal of Molecular Neuroscience, 2016*

73. *Neuromyelitis optica in a pregnant woman with systemic lupus erythematosus: A case report , Iranian Journal of Neurology,2016*

74. *Diagnostic Sensitivity of F-wave Parameters in Unilateral S1 Radiculopathy, Caspian Journal of Neurological Sciences, 2016*

75. *The effect of beta interferon on the expression of miR-145 in patients with multiple sclerosis, Journal Of Isfahan Medical School, 2016*

76. *The Relationship between Nerve Conduction Studies and Electromyography Findings in Patients with Carpal Tunnel Syndrome, Caspian Journal Of Neurological Sciences, 201*

77. *The association between abdominal obesity and characteristics of migraine attacks in Iranian adults, published in Iranian journal of nursing and midwifery research , 2016*

78. *Vasomotor reactivity comparison in multiple sclerosis patients with white matter lesions and nonmultiple sclerosis subjects with white matter lesions in brain magnetic resonance imaging, Advanced Biomedical Research ,2016*
79. *Assessment of pyridoxine and folate intake in migraine patients , 2016*
80. *Prevalence of vestibular symptoms in patients with migraine in Isfahan, Iran , Journal of Isfahan Medical School 2016*
81. *Usefulness of the survey of autonomic symptoms questionnaire in diagnosis of diabetic autonomic neuropathy , Journal of Isfahan Medical School 2016*
82. *A comparative study of the prescription of memantine and piracetam in poststroke aphasia , Journal of Isfahan Medical School 2016*
83. *Coenzyme q10 in migraine prophylaxis: A randomized, double-blind, placebo-controlled clinical trial , Journal of Isfahan Medical School 2016*
84. *The Correlation between the Standing Stability and Fear of Falling in Patients with Stroke , Journal of Isfahan Medical School 2016*
85. *Diagnostic Accuracy of Optic Nerve Ultrasonography and Ophthalmoscopy in Prediction of Elevated Intracranial Pressure , Shahid Beheshti University journal 2015*
86. *Expression of prostaglandin I₂ (prostacyclin) receptor in blood of migraine patients: A potential biomarker, Advanced Biomedical Research 2015*

87. *Effect of Vitamin D supplementation on symptoms and C-reactive protein in migraine patients , Journal of research in medical sciences 2015*
88. *Balance and Depression in Patients with Multiple Sclerosis, MEJDS 2015*
89. *The relationship between different fatty acids intake and frequency of migraine attacks , Iranian journal of nursing and midwifery research 2015*
90. *Comparison of TERRA expression in human brain tumors , The European Journal Of Oncology 2015*
91. *Association Between Abdominal Obesity Indicators and Serum Levels of Homocysteine in Migraine Patients: A Cross-Sectional Study , Jentashapir J Health Res. 2015*
92. *Stroke in Iran , 2014*
93. *Study of the relationship between syncope attacks and diminished carotid and vertebral artery flow using Doppler ultrasonography of cervical vessels, published in JRMS 2010*
94. *Reference values for breath holding index in evaluation of vasomot reactivity by transcranial doppler sonography, published in JRMS 2010*
95. *Association between reproductive period length and risk of ischemic stroke in Iranian patients, published in journal of cell and tissue research ,2010*

96. *Evaluation of the citicholine effect in acute phase of supratentorial hemorrhage; a placebo-controlled clinical trial, published in journal of cell and tissue research, 2010*
97. *Evaluation of citicholine effect in acute phase of stroke; a randomized clinical trial, published in journal of cell and tissue research, 2009*
98. *Duplex sonography of carotid arteries in ischemic stroke patients and control group, published in JRMS, 2010*
99. *The efficiency of citicoline in the treatment of ischemic stroke and primary hypertensive intracerebral hemorrhage; a review article, published in Arthroslerosis 2011*
100. *Successful prophylactic treatment of chronic tension-type headache with Tizandin, an α -2 receptor agonist, published in Isfahan medical school journal, 2005*
101. *Comparative evaluation of EMG, SSEP, X ray and MRI for diagnosis of cervical radiculopathy, published in journal of cell and tissue research, 2009*
102. *Comparison between topiramate and sodium valproate in the prophylaxis of migraine headache; randomized clinical trial, published in journal of cell and tissue research, 2009*
103. *Antimicrobial susceptibility patterns of microorganisms involved in the pathogenesis surgical infections (SSI); a 1-year surveillance, Pakistan journal of biological science, 2008*

104. *Efficiency of interferon on beta 1a in Iranian multiple sclerosis, published in neurology Asia journal, 2010*
105. *Rapidly evolving pruritic lesions to massive hemorrhagic bullae with improvement by prednisolone: as a coetaneous manifestation of systemic lupus erythematosus: a case report, published in Case journals,2011*
106. *A survey on the average of cost in outpatient and imaging in Al-Zahara hospital, published in Isfahan University of medical sciences journals,2010*
107. *Prophylactic treatment of chronic tension headache with Tizanidine, published in Isfahan University of medical sciences journals ,2005*
108. *Sympathetic skin response in carpal tunnel syndrome, published in Isfahan University of medical sciences journals, 2005*
109. *Triflunomide, oral drug of multiple sclerosis, published in JRMS,2008*
110. *Comparison between efficacy of imipramine and transcutaneous electrical nerve stimulation in the prophylaxis of chronic tension-type headache: a randomized controlled clinical trial,Journal of research in medical sciences, 2011*
111. *Stroke and nutrition: a review of studies, International journal of preventive medicine,2013*
112. *Stem cell therapy in stroke: a review literature, International journal of preventive medicine, 2013*

113. *Preliminary investigation of economics issues in hospitalized patients with stroke, International journal of preventive medicine,2013*
114. *The association between serum vitamin d levels with general and abdominal obesity among patients with migraine, International journal of preventive medicine,2013*
115. *The relationship between serum levels of vitamin D and migraine, Journal of research in medical sciences, 2013*
116. *Prevention of diabetic foot ulcer, International journal of preventive medicine , 2013*
117. *Intakes of vegetables and fruits are negatively correlated with risk of stroke in Iran, International journal of preventive medicine ,2013*
118. *Evaluation of Intima Media Thickness of Carotid Arteries in 40-60 Years Old Persons with Type D Personality and its Comparison with Normal Ones, International journal of preventive medicine,2013*
3 B Vitamins and Antioxidants Intake is Negatively Correlated with Risk of Stroke in Iran, International journal of preventive medicine,2013
119. *Prediction and Control of Stroke by Data Mining, International journal of preventive medicine, 2013*
120. *Effectiveness of Attribution Retraining on Women's Depression and Anxiety After Miscarriage, International journal of preventive medicine ,2013*

121. *Dairy consumption and stroke risk, International journal of preventive medicine , 2013*
122. *Neuroprotective effects of erythropoietin in acute ischemic stroke, International journal of preventive medicine, 2013*
123. *The effect of walnut consumption on lipid profiles of the first-degree relatives of type two diabetes mellitus patients (T2DM) with prediabetes,2013*
124. *Assessment of electromyographic findings in peroneus tertius, tibialis posterior and dorsal interosseous pedis muscles in patients with axonal polyneuropathy,2013*
125. *Cyproheptadine versus propranolol in the prevention of migraine headaches in children, 2012*
126. *Amyotrophic lateral sclerosis with laboratory abnormalities of uncertain significance: A brief review, Iranian journal of neurology,2012*
127. *Evaluation of the Software to Help Advising Professors in Isfahan University of Medical Sciences, Future of Medical Education Journal,2014*
128. *Cerebral Vein Thrombosis an Important Differential Diagnosis of Subarachnoid Hemorrhage (SAH) in Neurology and Neurosurgery, Journal of Research in Medical Sciences 2014*
